

**STUDY REGULATIONS 2022/2023 (WINTER SEMESTER)**  
**OF DIDACTICS IN HISTOLOGY AND EMBRYOLOGY DEPARTMENT**  
**FOR I YEAR OF MEDICINE AND DENTISTRY**

**I. GENERAL RULES**

1. Information relating to the courses that take place in Histology and Embryology Department is announced on the notice boards (on the ground floor next to the entrance door of Histology and Embryology Dept. and in classrooms) and on the website <https://www.umw.edu.pl/pl/jednostki/zaklad-histologii-i-embriologii>

2. Classes and seminars are conducted stationary, lectures are on-line only with the use of Teams platform.

3. Lectures, seminars are conducted according to the plan, **punctually** of the scheduled time.

4. Before entering the exercise rooms, according to the recommendations, the students must disinfect their hands. Masks (surgical), disposable gloves are required in the classroom.

5. Attendance of courses covered by the study plans shall be **mandatory and monitored**. An absence must be excused complemented with a relevant document (a medical certificate from a doctor) which should be delivered to the teacher immediately after returning from the sick leave (the first class after an absence). If a student is absent from any class (seminar), this class must be compensated for after returning from the absence or during the special 'make-up' classes.

6. Any **transfers** to another group **requires written permission of:**

- a) Histology and Embryology Dept. ED Courses Coordinator,
- b) Tutor of the year.

7. During histology classes each student is responsible for the assigned microscope and microscopic slides.

8. **To get credit from histology student has to:**

- a) take part in microscopic exercises,
- b) make drawings from microscopic observations,
