

Uniwersytecki Szpital Kliniczny
(USK)
im. Mikulicza – Radeckiego
we Wrocławiu, ul. Borowska 213, 50-556 Wrocław

Before starting your practical training, make sure you have the following:

- the confirmation of the personal accident insurance (NNW),
- current certificate of the medical examination for the sanitary-epidemiological purposes and the confirmation of the vaccination against hepatitis B,
- protective medical clothing, apron, changeable ergonomic footwear, safety glasses,
- the documents required to complete the internship (the programme & the questionnaires),
- an ID badge made by yourself,
- protective masks (to be collected from the USK storehouse before the practical training).

A list of students signed up for the placement will be available at the USK Information Desk, in the main lobby level "0".

Please note that people, who do not have valid medical certificates, will not be included on those lists!

It is also important to familiarise yourself with the "**Procedure to be followed after the occupational exposure to HIV, HBV, HCV infection**" document.

General Initial Training:

You are also required to undergo the initial Health and Safety Training (general instructions) available online.

Please find the training materials and instructions prior to the internship on the hospital website:

http://www.usk.wroc.pl/index.php?option=com_content&view=article&id=2229&Itemid=28

Once you have read the materials and instructions, please sign the form and give it to your supervisor.

The initial job training is conducted by the supervisor at the internship site on the day the internship begins.

Please note that if you are doing your training at several working sites, you should complete it at each of these places. You can complete your training card for four working sites. If you are completing your training at one or two working sites only, there is no need to print out the third page of the "Training Sheet".

If you have any questions regarding the organisation of the Health and Safety Training or the content of the training presentation, please contact us at the following telephone number: **885-852-321 – the Health and Safety Department (Dział Bezpieczeństwa i Higieny Pracy – DBHP)**.

Location of DBHP: 2 Pasteur Street, Building A7 (UM), F (USK), 1st floor, rooms 1.4, 1.14.
