

**Safety rules apply to 3rd-year Medical and Dentistry Students
and all students and other persons staying and using rooms
in the Department of Pharmacology at the Wroclaw Medical University
in the academic year 2023/2024**

The knowledge and compliance with the basic health and safety rules are the responsibility of every student at the University.

1. Students enter the classrooms under the supervision of the teacher conducting the classes and take their seats (entry to the room is allowed only with the consent and knowledge of the teacher).
2. Students must come to classes on time.
3. The student is obliged to inform the teacher about any possible danger in the classrooms of the Department of Pharmacology (e.g., torn-out sockets, broken glass, damaged benches, tables, or boards).
4. During the classes, it is forbidden to leave the classrooms without the teacher's consent and to use cell phones, dictaphones, and cameras unless the teacher agrees.
5. A student wishing to use the toilet reports this intention to the teacher and, with his consent, may leave the room.
6. When using the toilet, the student must maintain cleanliness and order (SMOKING AND ELECTRONIC CIGARETTES CANNOT BE SMOKED).
7. In the case of malaise during classes, the student reports this fact to the teacher; the first aid kit is in the secretary's office in the Department.
8. Without the teacher's consent, students are not allowed to use any teaching aids in the classroom, open cabinets or drawers, or run audiovisual equipment.
9. Eating and drinking during the classes or seminars classes are forbidden.
10. It is forbidden to swing on chairs or to sit on tables and windowsills in the classrooms.
11. After completing the course, the student must leave his/her place clean and account for the teaching aids entrusted to him.
12. Running or sitting on the stair rails and windowsills is forbidden during breaks between classes.
13. The student is obliged to comply with the prohibition of SMOKING CIGARETTES and CONSUMING ALCOHOL in the PHARMACOLOGY DEPARTMENT.
14. In the case of a fire or other danger, students must follow the teacher's instructions strictly.
