

**Safety rules apply to all students and other persons staying and using rooms  
in the Department of Pharmacology at the Wroclaw Medical University  
in the academic year 2024/2025**

Every student at the university is responsible for knowing and complying with the basic health and safety rules.

1. Students enter the classrooms under the supervision of the teacher conducting the classes and take their seats (entry to the room is allowed only with the teacher's consent and knowledge).
2. Students must comply with the announced hours of classes and come to classes on time.
3. The student is obliged to inform the teacher about any possible danger in the Department of Pharmacology classrooms (e.g., torn-out sockets, broken glass, damaged benches, tables, or boards).
4. During classes, it is forbidden to leave the classrooms without the teacher's consent and to use mobile phones, cameras, etc., unless the teacher agrees.
5. A student wishing to use the toilet reports this intention to the teacher and, with his consent, may leave the room.
6. When using the toilet, the student must maintain cleanliness and order (SMOKING AND ELECTRONIC CIGARETTES CANNOT BE SMOKED).
7. In the case of malaise during classes/exams, the student reports this fact to the teacher; the first aid kit is in the secretary's office in the Department.
8. Students are not allowed to use teaching aids in the classroom, open cabinets or drawers, or run audiovisual equipment without the teacher's consent.
9. It is forbidden to eat or drink during classes.
10. It is forbidden to swing on chairs or to sit on tables and windowsills in the classrooms.
11. After completing the course, the student must leave his/her place clean and account for the teaching aids entrusted to him.
12. Running or sitting on the stair rails and windowsills is forbidden during breaks between classes.
13. The student must comply with the prohibition of SMOKING CIGARETTES and CONSUMING ALCOHOL (or any other illegal substances) in the PHARMACOLOGY DEPARTMENT.
14. In case of a fire or other danger, students must strictly follow the teacher's instructions.
