The conditions of getting the credits:

1. The credit for passing the theoretical knowledge from classes, and seminars with the leading assistant. Oral answer or written test.
2. Receiving a credit for practical skills from the teaching assistant according to the individually performed clinical procedures.
3. Phantom works and clinical procedures necessary for obtaining 5th year credit (annual standard) :

• clinical work performed independently (all clinical phases)

- prosthetic crown - 2
- prosthetic bridge - 1
- crown-root inlay - 2
- complete dentures - 2 (one of each using the classic method and the Wrocław method)
- partial dentures - 2
- skeletal denture - 1 (performed as a demonstration for each clinical group)
- denture repair (adding a clamp, attaching a tooth, fixing the plate) - 1

4. Passing of the final credit test.

A single-choice test with five possible answers, time to solve the test 1 minute per question, in total 50 minutes.

GRADING	
Very Good (5.0)	Obtaining from 93% to 100% correct answers on the test
Good Above (4.5)	Obtaining from 85% to 92% correct answers on the test
Good (4.0)	Obtaining from 77% to 84% correct answers on the test
Satisfactory Plus (3.5)	Obtaining from 69% to 76% correct answers on the test
Satisfactory (3.0)	Obtaining from 61% to 68% correct answers on the test
