

Tübingen Virtual Intercultural Program TÜ-VIP FEBRUARY 2026

February 9 – April 24, 2026

Dear colleagues,

If you have students who want to study abroad, keep reading!

If your students, for whatever reason, are not be able to travel, or may not even want to travel, keep reading too!

Imagine meeting once a week with students from around the world to talk about things that truly matter to you, in real-time! TÜ-VIP is a 10-week online program offering courses on Sustainability, Politics, Intercultural Communication, German and other language courses, as well as classes on Identity, Culture, and Human Rights (4 ECTS credits per course). We even have an online buddy program so you can get to know Tübingen and what life is like here.

Our courses can be taken in addition to your studies at home while opening doors for networking and future careers.

TÜ-VIP courses prepare you perfectly for a later stay abroad, possibly at Tübingen University.

TÜ-VIP is also open for those returning home after studying here!

Kind regards,

Your TÜ-VIP Team
