IV. Conditions of admission

§ 4.

1. Candidates who register for the first year of study at the Doctoral School are required to submit to the registered office of the Doctoral School, by the date indicated in the Admission Calendar 2026, a set of documents referred to in § 3 section 2, and – if they have them – the documents referred to in § 3 section 3.
2. The documents should be submitted in a white folder with a rubber band (folder spine - at least 2 cm).
3. A printout generated by IRK containing the candidate's data (first name, last name, correspondence address, telephone number, e-mail address, name of the Department/Institute to which the candidate is applying) should be affixed to the folder with the documents.
4. The Admission Commission's finding of discrepancies between the content of the submitted documents and the data entered by the candidate in the IRK leads to deletion from the list of candidates.
5. Failure to submit the complete set of required documents by the deadline specified in Admission Calendar 2026 results in non-admission to the examinations, which automatically excludes the candidate from further stages of the competition.
6. The admission procedure consists of two stages:
 - 1) In the first stage, the Admission Commission assesses the documents submitted and draws up a ranking list of candidates according to the scores obtained in accordance with the criteria set out in Annex 1.4.
 - 2) A maximum number of candidates corresponding to twice the limit of places and a maximum of 2 candidates for one research topic pass to the second stage.
 - 3) In the second stage, the Admission Commission shall conduct an interview to assess the project and conduct a qualification examination.
7. Examination dates shall be posted on the Doctoral School admission website www.umw.edu.pl.
8. If a candidate obtains an insufficient number of points to be assigned to the chosen research topic, it is not possible to be assigned to another research topic that the candidate has not selected in the IRK system by depositing an application within the deadline specified in Admission Calendar 2026.
9. Verification of language skills is done by demonstrating the level of language qualification through:
 - 1) a diploma of graduation, confirming the attainment of a language qualification in English or a course of study in which education was provided in English,
 - 2) an English language certificate of at least B2 level,
 - 3) in case of inability to meet the requirements of section 9 items 1 and 2 – a successfully passed examination in English.
10. Qualification examination:
 - 1) ranges of materials for the examinations shall be posted on the Doctoral School admission website www.umw.edu.pl;
 - 2) failure to appear for the qualification exam, failure to pass the language qualification exam as referred to in section 9 or receiving a score of 0 for the submitted project or the qualification exam shall disqualify you from taking part in the competition.

V. Decision on admission to the Doctoral School

§ 5.

1. Candidates who obtain the highest number of points in the competition for the academic year 2026/2027 and the highest number of points for a specific research topic shall be admitted to the Doctoral School.
2. Admission to the Doctoral School requires a minimum of 10 points from Criterion I 3a in the admission according to the scores in Annex 1.4. The candidate's academic achievements shall be taken into account on the basis of the list of scored publications as of the date of submission of the application in the IRK system.
3. The results of the admission procedure are public.
4. Admission to the Doctoral School shall be by way of entry into the list of doctoral students, subject to § 2 section 2.
5. A person admitted to the Doctoral School commences training and acquires the rights of a doctoral student upon taking the oath.
6. Refusal of admission to the Doctoral School is made by an administrative decision of the Admission Commission or, in the case of foreigners, of the Rector. An application for reconsideration of the decision may be filed within 14 days from the date of delivery of the decision.
7. The decision is delivered to the candidate at the address indicated in the personal questionnaire by registered letter with confirmation of receipt. Personal receipt of the decision at the registered office of the Doctoral School is allowed.
8. The decision of the Rector or the Admission Commission, as appropriate, following an application for reconsideration is final.

§ 6.

If several candidates obtain the same, lowest number of points, allowing them to be admitted to the list of qualified candidates, the candidates with the higher number of points obtained from the qualification examination shall be entered first, followed by the candidates with the higher arithmetic mean of the grades from the academic examinations.

VI. Supplementary admission

§ 7.

1. If the number of candidates qualified for admission to the Doctoral School is lower than the admission limit announced by the Rector, supplementary admission may be conducted.
2. The decision to conduct supplementary recruitment shall be made by the Rector at the request of the Director of the Doctoral School.
3. Supplementary admission shall be conducted in accordance with the supplementary admission calendar for 2026 and the rules set out in these conditions and the admission procedure.
4. If the Rector increases the limit of places in the Doctoral School, supplementary admission for additional places may be conducted in accordance with the rules set out in these conditions and the admission procedure.

VII. Additional information

§ 8.

1. Candidates are obliged to keep themselves informed about information provided by the University.
2. Information on admission for the academic year 2026/2027 is provided at the registered office of the Doctoral School at ul. J. Mikulicza-Radeckiego 5 in Wrocław and posted on the website of the Wrocław Medical University.

3. Candidates admitted to the first year of training at the Doctoral School shall be referred for a compulsory medical examination.
