

# Dead Men Tell Tales:

Truth written in the body - from body to evidence in forensic science

On-site sessions 8-12.06.2026

Day	Time	Location	Type	Theme
8.06.2026 (Monday)	8:15-9:00	Meeting room	Coffee break	Conference Welcome and Program Overview
	9:00-12:00	An open area on the university campus	Workshop	Forensic Examination of the Body at the Scene
	12:00-13:00	Meeting room	Lunch	Lunch break
	13:00-15:00	Museum	Guided Tour	Visit to the Museum of Forensic Medicine
9.06.2026 (Tuesday)	9:00-9:30	Meeting room	Coffee break	Discussion and Coffee
	9:30-11:15	Autopsy room	Practice	Forensic autopsies
	11:15-11:30	Meeting room	Coffee break	Discussion and Coffee
	11:30-13:30	Autopsy room	Workshop	Hands-on Forensic Identification: Anthropological Methods
	13:30-14:30	Meeting room	Lunch	Discussion and lunch
	15:00-18:00	Guided Tour of Wroclaw		
10.06.2026 (Wednesday)	9:00-9:30	Meeting room	Coffee break	Discussion and Coffee
	9:30-11:15	Laboratory room No. 6	Workshop	DNA extraction and amplification
	11:15-11:45	Meeting room	Coffee break	Discussion and Coffee
	11:45-13:45	Laboratory Room No. 6	Workshop	Genetic profile Identification and analyses
	13:45-14:45	Meeting room	Lunch	Discussion and lunch
	15:00-17:00	Methods of searching cadavers - cadaver dog		
11.06.2026 (Thursday)	9:00-9:30	Meeting room	Coffee break	Discussion and Coffee
	9:30-11:30	Laboratory	Workshop	Medicines and drugs - methods and possibilities of their detection used in forensic toxicology - part I
	11:30-12:00	Meeting room	Coffee break	Discussion and Coffee
	12:00-14:00	Laboratory	Workshop	Medicines and drugs - methods and possibilities of their detection used in forensic toxicology - part II
	14:00-15:00	Meeting room	Lunch	Discussion and lunch
12.06.2026 (Friday)	All day workshop      Methods of searching cadavers - water
