

DIDACTIC REGULATIONS
Department of Forensic Medicine
Wrocław Medical University
for students of Faculty of Medicine
for the academic year 2026/2027

1. Obligatory subject ***Forensic Medicine***, for IV year students, according to the subjects' syllabus (acknowledged by the Dean of the Faculty of Medicine) consists of:
 - lectures – 5h (winter semester)
 - non-clinical classes – 15h (winter semester)
 - autopsies – 15h (summer semester).
2. Description of subject, effects of education and program of classes is listed in the syllabus of the subject – available on the Department's website.
3. Only students from the list acknowledged by the Dean's Office will be allowed to participate in the classes.
4. Presence on lectures, seminars and autopsies is obligatory – as stated in the studies regulations of Wrocław Medical University.
5. Student is obligated to make up for any missed class as soon as possible - including Dean's and Rector's Hours/Days.
6. To make up for the class a student must come to the class that he/she missed (conducted by the same teacher) and inform the teacher at the beginning of the class that he/she would like to make up for a missed class. A teacher must fill and sign a form for a class make up. This form is given to the student who is obligated to deliver this form to the secretary's office of the Forensic Medicine Department.
7. A change of exercise group (for all classes) is permitted only upon prior submission of a formal request handed in the secretary's office (email submissions are also accepted). The request must include a justification and the student's full details: first name, last name, current group, student ID number, and the group the student wishes to join.
8. The requirement for passing the classes (both non-clinical and autopsies) is **attendance** in accordance with the Study Regulations, active participation in the classes, **and passing a written test (colloquium)** in the last class in each semester.
9. The requirement for passing the whole Forensic Medicine course is obtaining a passing grade for the classes conducted in both the winter and summer semesters, as well as passing the final examination held in the exam session in summer semester of the academic year.
10. **A prerequisite for taking the final examination is passing the classes in both the winter and summer semesters.**

- 11. The primary form of passing the course is a final written examination, consisting of two parts:**
- Descriptive section** – 3 open-ended questions, graded respectively with 3, 2, and 1 point.
 - Multiple-choice section** – 18 single-choice questions (MCQs), each with 1 correct answer and 4 distractors. One point is awarded for each correct answer.
- The maximum number of points attainable is 24. **The final grade is assigned in accordance with the grading scale specified in the Study Regulations.**
- 12.** A student has the right to raise an objection regarding the form or content of an exam question, in accordance with the Study Regulations.
- 13.** Examination results are published in the university's online system *Virtual University* within the deadline specified in the Study Regulations.
- 14.** Examination papers are stored in the educational office of the Department for a period of 24 months. A student has the right to review their paper within 2 weeks from the date of result publication. Review at a later date is possible upon arrangement with the examiner.
- 15.** Obtaining a failing grade in eventually pre-term examination results in the loss of the first regular examination attempt.
- 16.** The results of course credits/examinations will be entered by the course coordinator into the electronic records available in the *Virtual University* system.
- 17. Supervisor of the subject for ED students is Jędrzej Siuta PhD** (room 22), tel. 071 784 14 61, jedrzej.siuta@umw.edu.pl
- 18.** Information regarding the schedules of obligatory and elective (facult) courses conducted by the Department is available: in the Virtual University system, posted on the information board located in the main building of the Department, and published on the website: <https://www.umw.edu.pl/pl/jednostki/katedra-medycyny-sadowej>
- 19.** All information concerning the course of studies and classes conducted by the Department and Chair of Forensic Medicine may be obtained from the teaching assistant / supervisor of the subject.
- 20.** Matters not covered by these regulations are governed by the Study Regulations of the Wrocław Medical University, which constitute an Annex to Resolution No. 2890 of the Senate of Wrocław Medical University dated April 22, 2026, concerning the adoption of the Study Regulations of Wrocław Medical University, effective from the 2026/2027 academic year.
