Schedule and Academic Year

The 1st day of October starts new academic year 2018/2019.

It is also the first day of classes and lectures. Students have to refer to the coordinators in order to discuss the schedule. Students of medicine and dentistry have to create their own schedule according to the one which is available for the English Division students.

Please make sure you choose the courses which are in your Learning Agreement for studies.

If you want to add/delete a course, you have to refer to the departmental coordinator, who has to accept the change. Students who wish to have Erasmus+ placement have to discuss details of their training before arrival with the responsible coordinator.
